

## Regrading a Question (after students have taken the test)

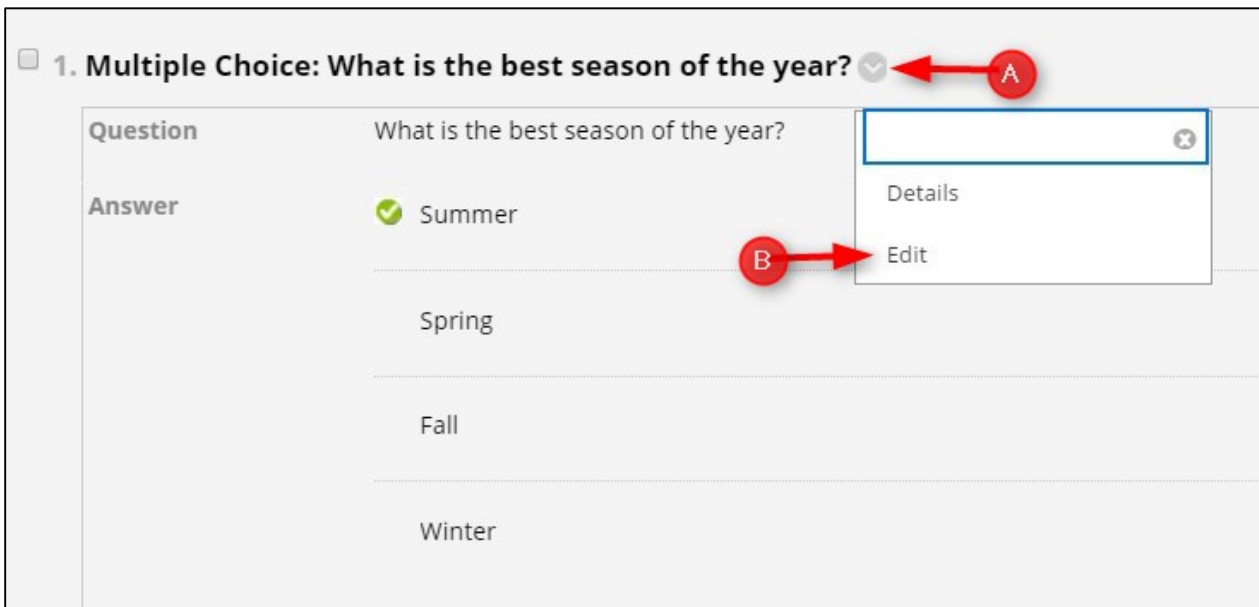

There are times you may have an incorrect answer that you need to change on a test. If students have already taken the test you can regrade the question.

### Directions:

1. Go to test that needs regraded, click the **down arrow** and the **Edit the Test**

2. Click the **down arrow** for the question and click **Edit**

3. Click the **correct answer** and then click **Submit and Update Attempts**.

Correct

Answer 1.

Summer

Path: p Words:1

Answer 2.

Spring

Path: p Words:1

*This question has 2 attempts which may be affected if you submit any changes.*

Cancel **Submit and Update Attempts**

4. Click **OK**. You will see a message that the question has been edited.

blackboard.starkstate.edu says:

This will require regrading for 2 attempts for this question. Continue?
