Add Assignment Title and Description/Instructions

The screenshot shows the 'Set Up Assignment' dialog box in the iStarkState interface. The dialog has a title bar with a close button. Inside, there is a section for 'Assignment title*' with a text input field containing 'Assignment Title'. Below this is a 'Description' section with a rich text editor. The editor has a toolbar with icons for bold, italic, underline, link, unlink, list, and text color. The text area contains 'Sans Serif' and 'Insert text here ...'. At the bottom of the dialog is a 'Cancel' button. The background shows a sidebar with 'Assignment' and 'LOR' icons, and a main area with a 'What would you like to do?' prompt.

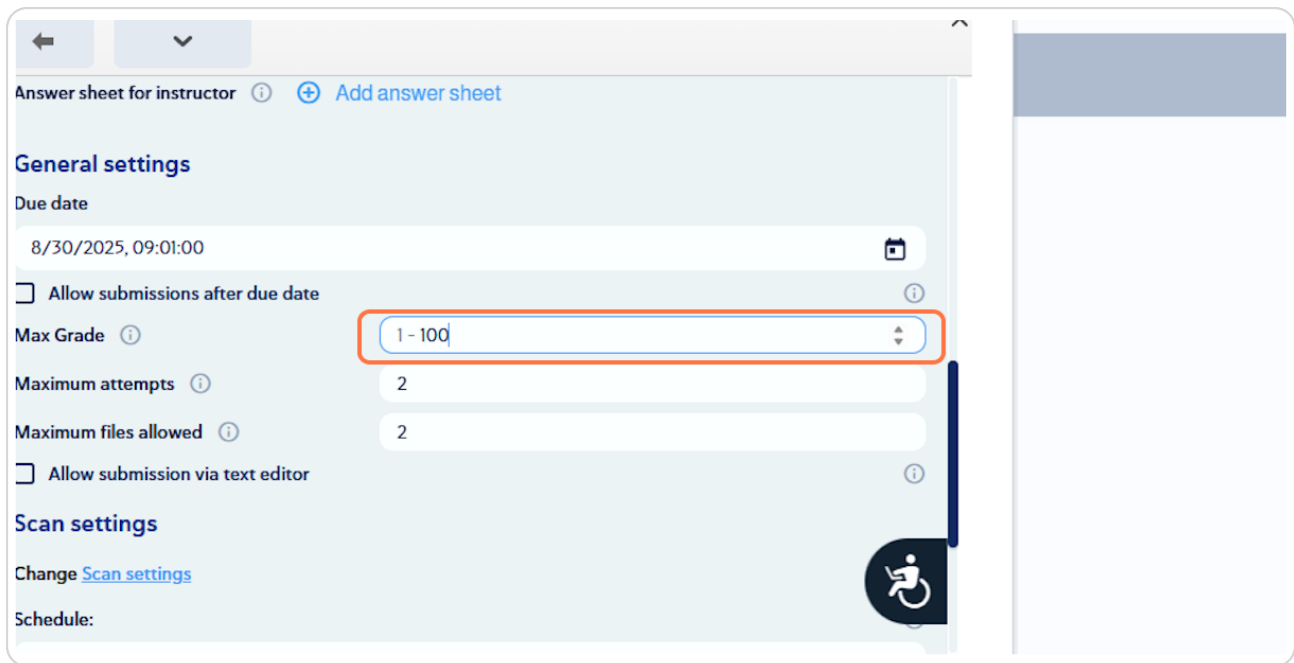

STEP 6

Set the Due Date

The screenshot shows the 'Set Up Assignment' dialog box in the iStarkState interface, specifically the 'General settings' section. The 'Due date' field is highlighted with a red border and contains the text 'MM/DD/YYYY 00:00 UTA'. Below this field is a red error message: 'Assignment due date is required.' There are also checkboxes for 'Allow submissions after due date' (unchecked) and 'Maximum attempts' (set to 2). The 'Max Grade' is set to 1-5. At the bottom of the dialog is a 'Cancel' button. The background shows the same sidebar and main area as in Step 5.

STEP 7

Set the Points

This screenshot shows the 'General settings' section of an assignment configuration interface. At the top, there is a navigation bar with a back arrow and a dropdown menu. Below this, the text 'Answer sheet for instructor' is followed by an information icon and a link to 'Add answer sheet'. The 'General settings' section includes a 'Due date' field set to '8/30/2025, 09:01:00'. Below the due date is a checkbox for 'Allow submissions after due date'. The 'Max Grade' field is highlighted with a red box and contains the value '1 - 100'. Other fields include 'Maximum attempts' set to '2' and 'Maximum files allowed' set to '2'. There is also a checkbox for 'Allow submission via text editor'. The 'Scan settings' section is partially visible at the bottom, with a link to 'Change Scan settings' and a 'Schedule:' label. A circular icon with a person and a wheelchair is located in the bottom right corner of the settings panel.

Check Expose originality report to students

This screenshot shows the 'Scan settings' section of an assignment configuration interface. On the left, there is a sidebar with a document icon labeled 'Assignment' and a building icon labeled 'LOR'. The main content area shows the 'Scan settings' section, which includes a link to 'Change Scan settings' and a 'Schedule:' label with a dropdown menu set to 'Upon submission'. Below this, there are two toggle switches: 'Expose originality report to students' (highlighted with a red box) and 'Add to Gradebook'. At the bottom right, it says 'Powered by Copyleaks'. A 'Cancel' button is located at the bottom left of the settings panel.
