The screenshot shows the 'Digital Library Lessons Quiz' interface. At the top, there's a navigation bar with 'Back to Quick Eval' and 'Practice as Instructor'. Below this, the quiz title 'Digital Library Lessons Quiz' is displayed. The user is 'Test Learner2' on 'Attempt 1'. The question prompt is 'Explain how you will be using the digital library for research for this course.' The user's response is 'I will use the databases to search for scholarly journal articles that I can use in my research project.' The word count is '19 words'. The 'Save Time' is '2:12 PM'. The 'Score' is '1 / 1' with a note '(not auto-graded: a default grade of 0 will be assigned)'. A 'Feedback' box contains the text 'You have a good plan for research!' with a red arrow pointing to it. Below the feedback box is 'Question 4' with the text 'All research assignments require peer reviewed articles.' and two radio buttons: 'True' and 'False'. The 'False' button is selected. At the bottom right, there are 'Publish' and 'Save Draft' buttons.

STEP 6

Click on Publish

This image is a close-up of the bottom right corner of the quiz interface, focusing on the 'Publish' and 'Save Draft' buttons. The 'Publish' button is a dark blue rectangle with white text, and it is highlighted with a red rectangular border. The 'Save Draft' button is a light gray rectangle with dark gray text.
