

STEP 1

Click on Lessons

STEP 2

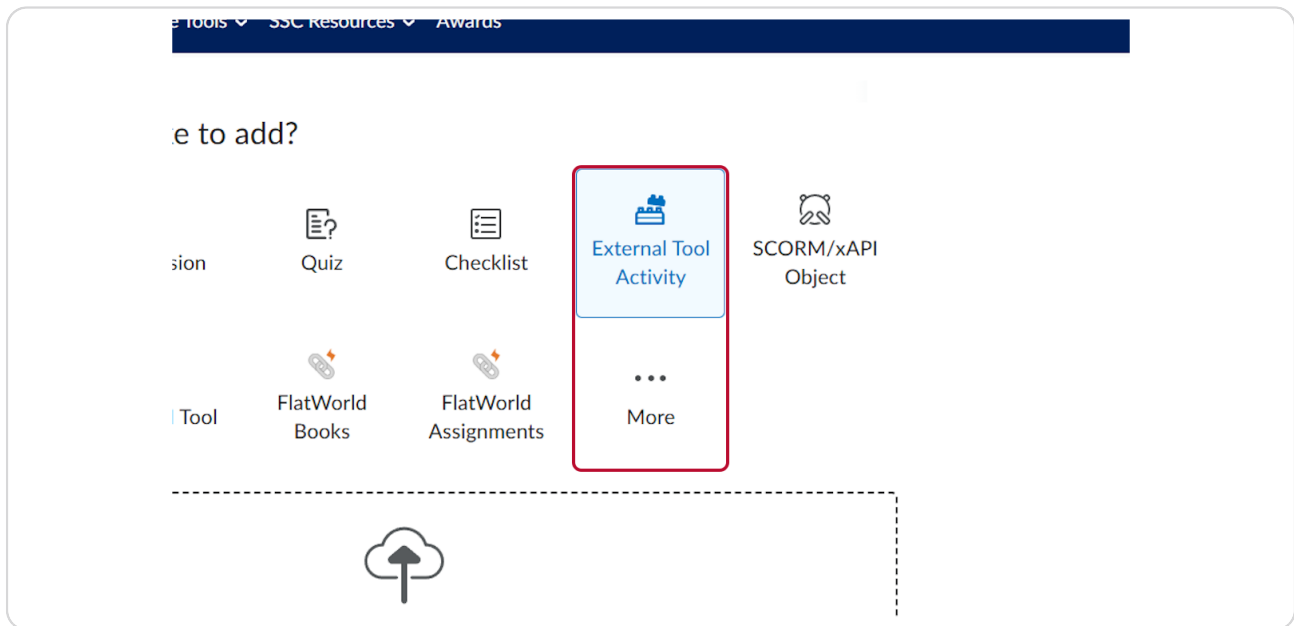

Click on Add Existing

STEP 3

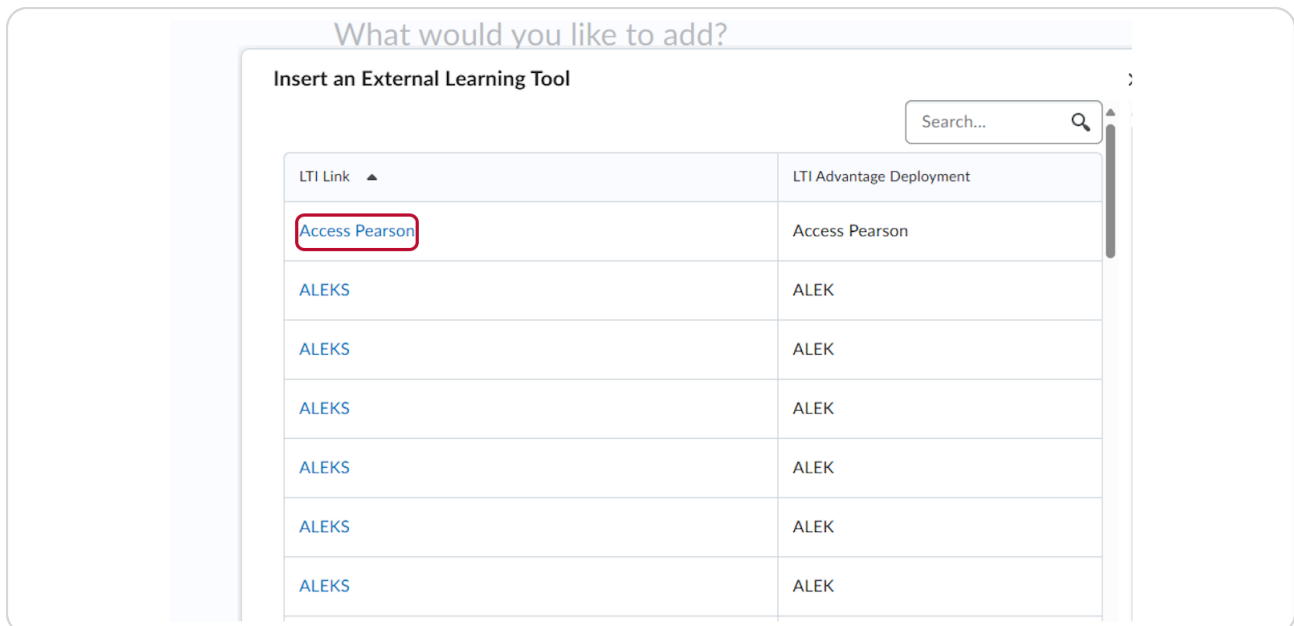

Click on External Tool Activity or More

The publisher content is listed under either the External Tool Activity or the More option. [Refer to this page for reference of where each publisher is listed.](#)

STEP 4

Locate the tool you are using and click on the link

STEP 5

Please note – this is the only part of set-up that eStarkState can assist you with. If you need help with intergratign the content, you need to reach out to your publisher rep.
