STEP 5

Add feedback

The screenshot shows a grading interface for 'Test Learner2' on 'Attempt 1'. It displays 'Question 3' with the prompt 'Explain how you will be using the digital library for research for this course.' The student's response is 'I will use the databases to search for scholarly journal articles that I can use in my research project.' The score is '1 / 1' with a note '(not auto-graded: a default grade of 0 will be assigned)'. A 'Feedback' text box is highlighted with a red border. Below it is 'Question 4' with the prompt 'All research assignments require peer reviewed articles.' On the right, there is an 'Attempt Grade' section showing '10.67 / 11' and an 'Attempt Feedback' section with a rich text editor. At the bottom right, there are 'Publish' and 'Save Draft' buttons.

STEP 6

Once you finish grading the written responses, click on Publish

This screenshot shows the bottom portion of the grading interface. It features two large buttons: a blue 'Publish' button and a light gray 'Save Draft' button. The 'Publish' button is highlighted with a red border.
