STEP 5

Locate the student you want to regrade and click on their attempt

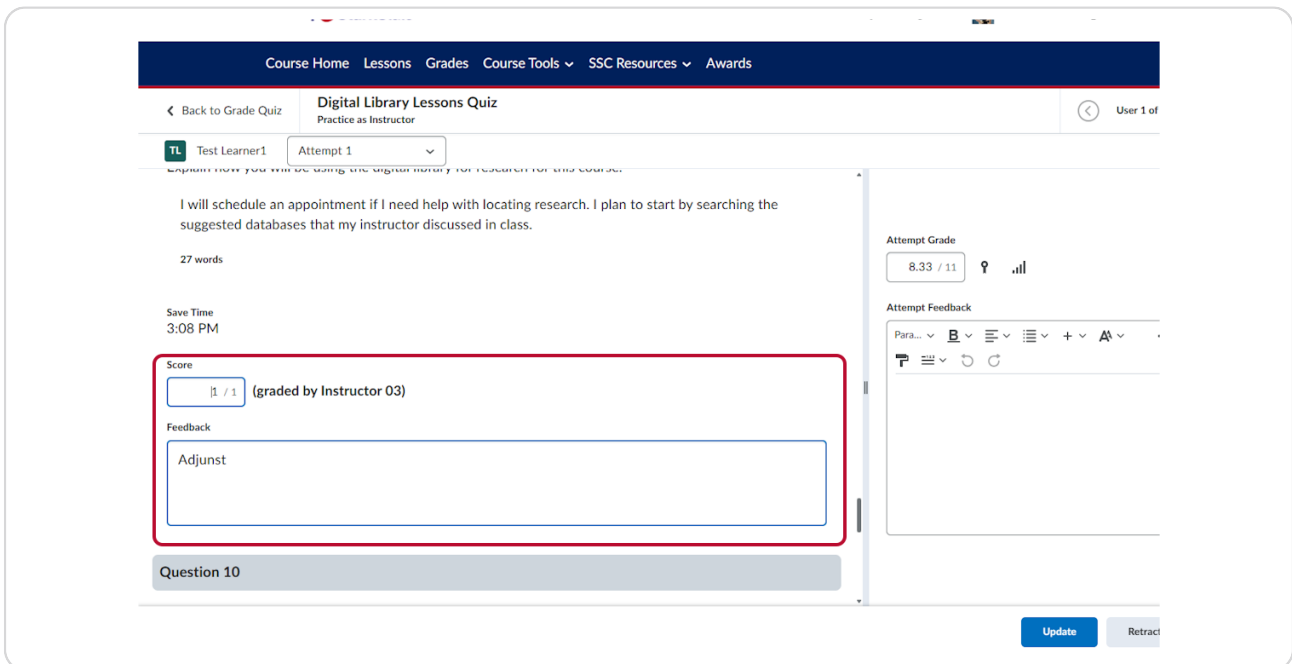

This screenshot shows the 'Learner' dropdown menu in a quiz interface. At the top, there are four action buttons: 'Publish', 'Retract Feedback', 'Reopen', and 'Delete'. Below these is a table with the following rows:

<input type="checkbox"/>	Learner ▲
<input type="checkbox"/>	Learner1, Test
<input type="checkbox"/>	<u>attempt 1</u>
	overall grade (highest attempt)
<input type="checkbox"/>	Learner2, Test

STEP 6

Locate the question(s) to regrade and update the score/feedback

This screenshot shows the 'Digital Library Lessons Quiz' interface. The top navigation bar includes 'Course Home', 'Lessons', 'Grades', 'Course Tools', 'SSC Resources', and 'Awards'. Below this is a 'Back to Grade Quiz' link and the quiz title 'Digital Library Lessons Quiz'. The interface shows a question being graded by 'Instructor 03'. The question text is: 'I will schedule an appointment if I need help with locating research. I plan to start by searching the suggested databases that my instructor discussed in class.' The score is '1 / 1' and the feedback is 'Adjust'. The question is labeled 'Question 10'. On the right side, there is a section for 'Attempt Grade' showing '8.33 / 11' and 'Attempt Feedback' with a text editor. At the bottom right, there are 'Update' and 'Retract' buttons.

STEP 7

Click on Update
