

STEP 1

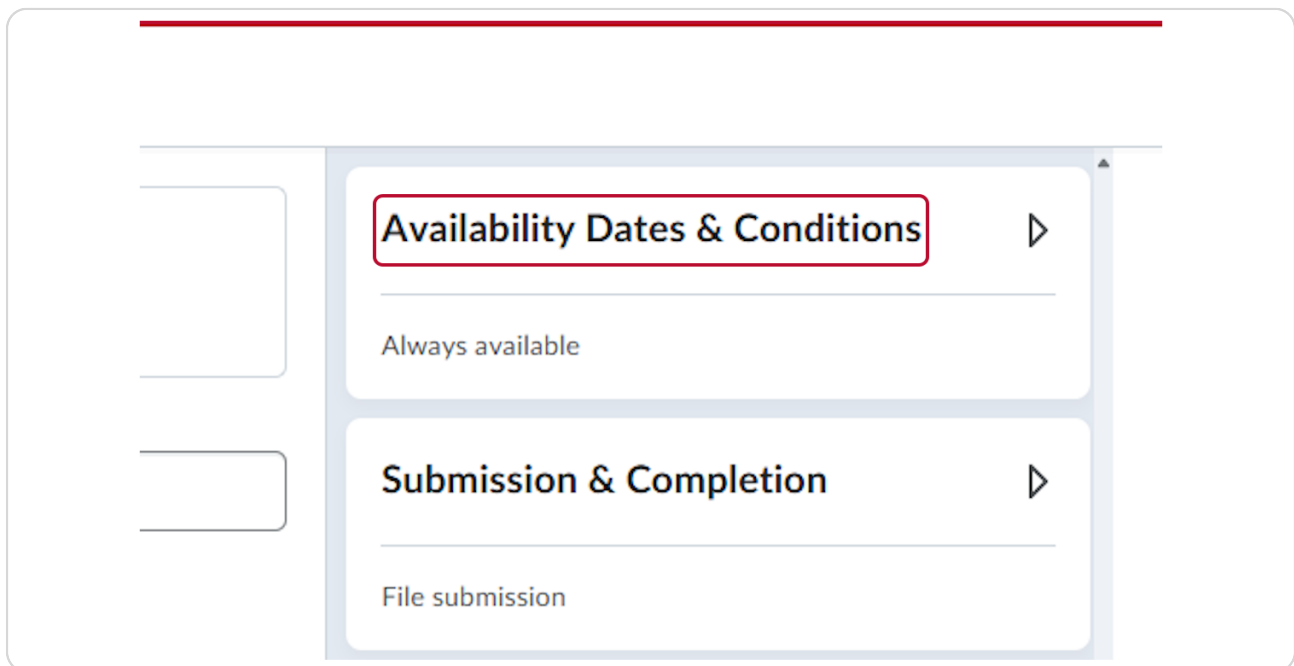

Click on your assignment and click on highlight

The screenshot shows a web interface for 'SSC Resources' under the 'Awards' tab. At the top, there are buttons for 'Add Existing' and 'Create New'. Below these, there is a 'search Topic' section with a 'Required' tag and an 'Edit Activity' button highlighted with a red box. The 'Content' section is partially visible, showing a description of the topic and a 'Criteria' section.

STEP 2

Click on Availability Dates & Conditions

The screenshot shows a configuration interface with two main sections: 'Availability Dates & Conditions' and 'Submission & Completion'. The 'Availability Dates & Conditions' section is highlighted with a red box and shows the option 'Always available'. The 'Submission & Completion' section shows the option 'File submission'.

STEP 5

Set the End Date

This screenshot shows a configuration interface for setting an end date. At the top, there are two input fields: a date field containing '9/12/2025' and a time field containing '12:01 AM'. Below these, the text 'Before start: Visible with access restricted' is displayed. The 'End Date' section features a date picker icon and the placeholder text 'M/D/YYYY', which is highlighted with a red and blue border. Below the date picker, the 'Release Conditions' section explains that users cannot access the assignment unless they meet the conditions, with a calendar view for September 2025 visible in the background. At the bottom, there is a link to 'Add Release Condition' with a dropdown arrow.

STEP 6

Set the Time

This screenshot shows the configuration interface for setting a time. The date field now contains '9/21/2025'. The time field, which was previously '12:01 AM', is now '11:59 PM' and is highlighted with a red and blue border. Below the date field, the text 'After end: Visible' is partially visible. The 'Release Condition' section is also partially visible, showing the same explanation as in Step 5. A dropdown menu is open, showing three time options: '8:30 PM', '9:00 PM', and '9:30 PM'.
